25. Runners Overrunning a Base: First base and home plate are the only bases a runner may touch and run past. If a runner should overrun 2nd and 3rd base, and an alert fielder who is in possession of the ball touches the runner while off the base, the runner shall be declared out. A fielder may not push or force a runner off the base that a runner has gained in an attempt to tag him out. First base is treated like second and third bases when a runner makes a turn toward second base after touching 1st base. Should a runner make a turn around 1st base toward 2nd base and then tagged by the fielder, while in possession of the ball, prior to returning to 1st base, the runner shall be declared out.
